

A hand holding a lit candle with a star chart in the background.

**Start your week off right ...
Come to “Enlightenment @ Night”**

“A Night Under the Stars”

Featuring: Under the guidance of Kevin Murphy & his LTHS Astronomy Club, our key targets will be viewing a thin crescent moon AND Saturn. Participants will also receive instruction on reading star charts.

Monday, October 23, 2017

7PM (sharp) to 8PM

Location: Park Junior High library

Registration is \$2 per family (Register on PushCoin)

“To keep a lamp burning, you have to keep adding oil.” -Mother Teresa

The Enlightenment @ Night series is a general enrichment opportunity sponsored by the Talent Development Program. The entire District 102 community is invited.
