## Want to learn about the instructional vision of the district?

*Come hear about some of the changes already underway in general education grades K-8 and about the direction the district is going to prepare children to serve their communities, engage in intelligent, respectful discourse, and thrive in high school and beyond.*

**Barnsdale**

6:00pm Oct 26, 2017

Can't attend the session scheduled for your child's school or have children in multiple schools?

No problem, feel free to come to any of the sessions offered. All of the presentations will share the same information K-8.

Presented by Members of the D102 Teaching & Learning Department, the Instructional Coaching Team, and the Administration
