

Parent Community Network (PCN) News

August 31, 2010

SAVE the DATE – Saturday, February 5, 2011. It's the date for the 14th Annual Parent University! We are excited to have Maureen O'Hara as our keynote speaker! Maureen has been highly rated as a breakout session presenter for many years and will address how parents can best balance – when to step in and when to let go. We have lined up many other great speakers and are continuing to work hard (*but would love help!*) on securing others.

GET INVOLVED – Parent Community Network, which plans Parent University, would LOVE your help. Together we can support each other in raising drug and violence-free well-adjusted children and youth. Whatever your schedule allows ... there are ways to help keep this group and parenting event strong for another 14 years!

Please contact us if you want more information about ways to get involved. One way is be the liaison between PCN/PU and your local school. We want to have two-way communications between PCN/PU and each of the LT feeder schools.

Our next meeting (all are invited) will be held at 9:30 a.m. on Thursday, September 9 at LT-South (Jeanne Widing's office).
